International Scientific Meeting 2024

President's Letter

ARICD are celebrating the 70th Anniversary of the Griffiths Scales this year with a special International Scientific Meeting entitled "Who is the Child of 2024?" at the Royal Society of Medicine in London on Friday 11th October 2024.

You can attend either in person or virtually.

We enclose with this email details of the meeting plus how to register and also include the Call for Abstracts for the Dolores Luiz prize.

For this, you are invited to submit an abstract (up to 500 words) of research related to 'The Child of 2024: Challenges faced by the Child, the Family, The Community, and the Professionals.'

Research involving the use of Griffiths III is a plus but not essential.

Three speakers will be selected to present at the International Scientific meeting.

A prize of £500, sponsored by ARICD and Hogrefe, will be awarded to the best presentation, and £100 for each of the runners' up. Deadline for submissions: 24:00 BST on 15th July 2024.

I would encourage as many registered Griffiths III users to attend this meeting either in person or virtually as it should be a very informative meeting. Please also share details of the meeting and the Call for Abstracts with your colleagues.

Early registration is recommended as places are limited for the in person attendance.

We look forward to seeing you then.

Thank you.

Dr Sue Bloomfield

ARICD President

ASSOCIATION FOR RESEARCH IN INFANT AND CHILD DEVELOPMENT

Griffiths Scales (1954 to 2024) 70th Anniversary Celebration International Scientific Meeting

Who is the Child of 2024?

Date: Friday 11th October 2024

Venue: Royal Society of Medicine,

Time: 09:15 – 16:30 (Registration & Coffee 08:45)

1 Wimpole Street, London and Virtual

Through a framework of global, social, community, family and child perspectives, important issues will be highlighted which impact on every child in 2024 .

The Dolores Luiz Prize

This prize is awarded in memory of Professor Dolores Luiz who encouraged and supported research using the Griffiths Scales.

You are invited to submit an abstract (up to 500 words) of research related to 'The Child of 2024: Challenges faced by the Child, the Family, the Community and Professionals'. Research involving use of the Griffiths Scales is a plus, but optional.

From the applicants, three speakers will be selected to give a 10-minute presentation (either in person or virtually plus 5 minutes discussion), at the forthcoming International Scientific Meeting.

A prize of £500, sponsored by ARICD and Hogrefe, will be awarded for the best presentation, and £100 each for the runners' up.

Deadline for submissions: 24:00 (BST) on 15 July 2024
